Training

Web Development Training| Udemy (Online Course)
- Platform: Udemy
- Description: Completed a comprehensive web development training program focusing on front-end technologies, equipping me with the skills needed to create interactive and visually appealing user interfaces.
- **Key Learning Highlights:** HTML5 and CSS3, JavaScript, ReactJS and BootStrap.

About Me

Dedicated and ambitious fresher with a strong passion for web development and a solid foundation in front-end technologies. Seeking a Front-End Developer position to leverage my skills in HTML, CSS, ReactJS and JavaScript, along with my creative problem-solving abilities, to contribute to building visually appealing and user-friendly websites.

Experience

Infotrixs | Frontend developer intern

July, 2023- 1 Month

Key responsibilities:
- Collaborated with the development team to create and implement responsive and user-friendly front-end solutions using modern technologies such as ReactJS, HTML, and CSS.
- Assisted in the design and development of expense tracker, optimizing performance and ensuring a seamless user experience.
- Earned recognition for consistent dedication and a proactive approach to problem-solving during the internship.

Certificates and Honors:
- Certificate of Completion
- Letter of Recommendation from Infotrixs

Teleperformance| Technical Customer Support| GoDaddy

2021 – Feb, 2023

Key responsibilities:
- Conducted technical troubleshooting and diagnostic procedures to identify and resolve issues related to domains, hosting, websites, and other GoDaddy products, ensuring timely and effective problem resolution.

Projects

Portfolio Website
- **Description:** Designed and developed a responsive and visually appealing portfolio website to showcase my frontend development skills and projects. The website serves as a platform to demonstrate my proficiency in HTML, CSS, and JavaScript.
- Technologies Used: HTML5, CSS3, JavaScript
